**ANNOUNCEMENTS**

Through the end of May we are going to look at the revivals in 2 Chronicles. Various kings in Judah sought the Lord to evoke change among God's people. We will look at what they did. May 26, King Josiah (2 Chron 34). Different levels of revival occurred, even though in the end Judah did not abandon her sins and idols and God punished her. What can we learn? How can we act differently to avoid God's punishment? How might our culture find revival in God's grace?
